## REVISED GIRLS REC REPORT CARD LEVELS

**We are excited to announce the implementation of our new Girls Rec level system this Fall!**

Our new framework has been streamlined for better progression from level to level.

Our coaches have been re-assessing all Girls Rec participants according to the new levels.

Your daughter's coach will be providing a handout with her re-assessed level recommendation and further details on the new system.

Keep an eye out for this handout the week after Thanksgiving.
